

Deactivating a User

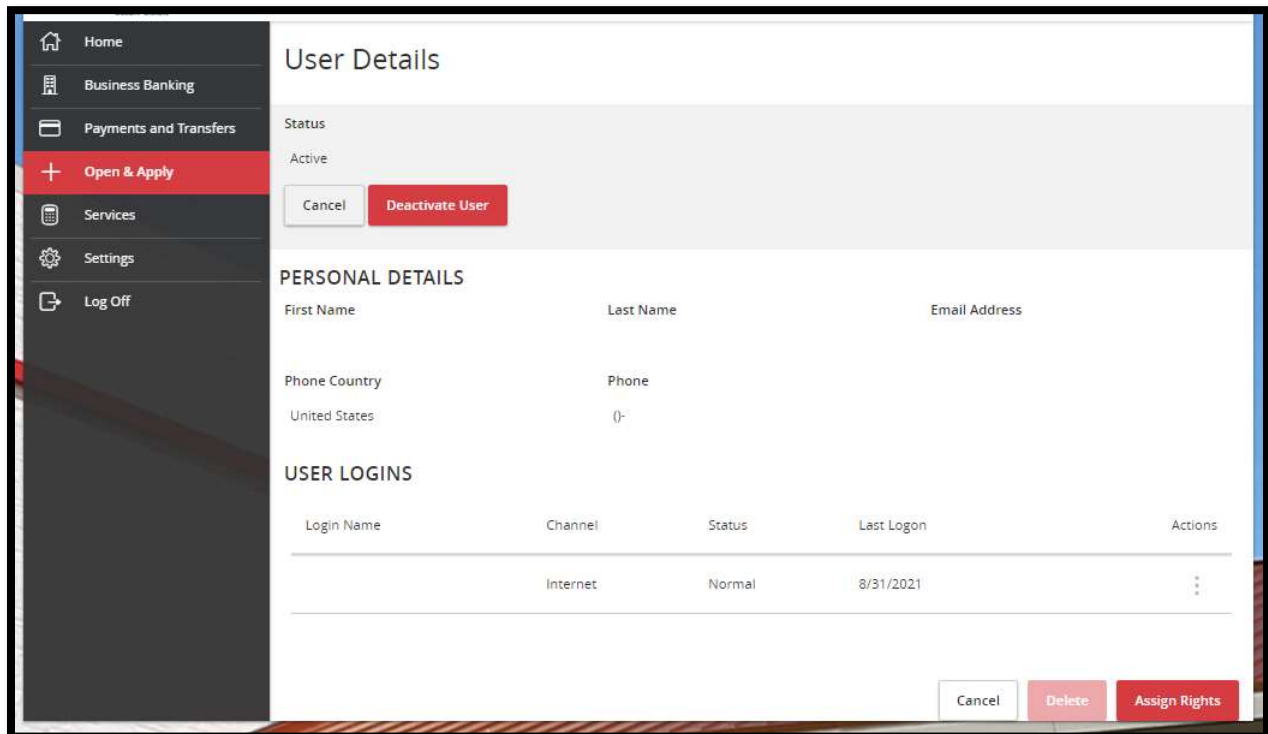

On the User Details page, click on “Edit Status”

The screenshot shows the 'User Details' page. On the left is a dark sidebar with navigation options: Home, Business Banking, Payments and Transfers, Open & Apply, Services, Settings, and Log Off. The main content area is titled 'User Details' and has a 'Status' section with 'Active' and a red-bordered 'Edit Status' button. Below this are sections for 'PERSONAL DETAILS' (First Name, Last Name, Email Address, Phone Country, Phone) and 'USER LOGINS' (a table with columns for Login Name, Channel, Status, Last Logon, and Actions). At the bottom right are buttons for 'Cancel', 'Delete', and 'Assign Rights'.

Click on Deactivate User

This screenshot is similar to the previous one, but the 'Open & Apply' menu item in the sidebar is highlighted in red. In the 'Status' section, the 'Deactivate User' button is highlighted in red, while the 'Edit Status' button is no longer visible. The rest of the page content, including the personal details and user logins table, remains the same.
